If neither piece of government-issued identification shows your current home address, you must also submit a copy of an additional document that shows your address (such as a recent telephone or utilities bill, or a bank or credit card statement). ** Equifax will use the information you provide to confirm your identity and current home address. We will cross-reference the information you provide with our own records. If any part of your name, date of birth or address in our records is different from the information you provide, we will update our records to reflect the correct information. It is not part of your credit report, but is based on the particular information in your credit file at the time it is calculated.
